“I just want to say I really enjoyed you guys being in our class. I really like you guys personality and how you guys make me feel comfortable. It’s like, if I had a bad day or anything, and I come to class, it just brings my spirit back up. I appreciate you guys and I hope we meet again.”

— Ja’Naya, age 15, *Voices for Art & Social Theatre (VAST) Enrichment Program*

93% of participants in our *Youth Theatre Residency Program* post-residency agreed they **plan to graduate high school.**
