Dear **Name**,

On behalf of the board and staff of The Unusual Suspects Theatre Company (**US**), we invite you to serve as an Ambassador for our **3rd Annual Virtually UnUSual Create-A-Thon** held throughout June. Past Virtually UnUSual Create-A-Thons were sponsored by Netflix, WarnerMedia, Hasbro, Johnny Carson Foundation, Nancy & Steve Carell, Argyros Family Foundation, The Lynch Foundation, and more!

Over the last 29 years, The Unusual Suspects has become a recognized leader in the fields of arts education, youth development, mentorship, and community building. What began as a single program providing creative expression for foster youth, The Unusual Suspects has since developed 7 free after-school theatre arts education workshops, throughout multiple middle and high schools and juvenile detention centers, as well as intergenerational theatre workshops and programs for residents in under-resourced LA communities.

As a Create-A-Thon Ambassador, we would be thrilled if you lent your name and support towards the event, allowing us to highlight your participation in materials, on our website, social media and in the press. We also welcome you to share your support of *US* and the Virtually UnUSual Create-A-Thon on your social media channels.

We hope to have the privilege of your participation this year. Should you have any questions, don't hesitate to contact me or **US** Director of Development & Communications, Joyce LaBriola, at joyce.labriola@theunusalsuspects.org or 310.570.3115.
